

CRZ Notification 2011 Envisages For Shoreline Mapping and Coastal Zone Management Plan

A two day state level workshop to disseminate the contents of the “Coastal Regulation Zone Notification – 2011” was organized by Centre for Environmental Studies under the Department of Forest & Environment, Government of Orissa on 19th & 20th August 2011. The new revised notification highlights to ensure livelihood security to the fishers and local communities living in the coastal areas. The new CRZ notification also envisages to conserve and protect coastal stretches, its unique environment and its marine areas and to promote development through sustainable manner based on scientific principles taking into account the dangers of natural hazards in the coastal areas. The highlights of CRZ Notification 2011 are shared in the state level workshop.
