

Economy

Orissa comprises of 4.74% of India's landmass and 36.80 million people (2001 Census), accounts for 3.58% of the population of the country. Nearly 85% of its population live in rural areas and depend mostly on agriculture for their livelihood. The state has abundant mineral resources including precious and semi-precious stones. It has also plentiful water resources. The total cultivable land is nearly 65.59 lakh hectares. The state can be divided into ten agro-climatic zones on the basis of soil, weather and other relevant characteristics. Its land can be classified into three categories namely low, medium and up-lands.

The decennial growth rate of population of Orissa during 1991-2001 was 16.25% as against 20.06% in the previous decade. As per 2001 census the total workers in the state account for 142.76 lakh which is 38.79% of the total population of the state. Out of the total workers, main workers accounted for 67.2%. In the category of main workers, cultivators and agricultural labourers accounted to be 57.7%.

The Gross State Domestic Product (GSDP) at constant prices (1999-00) of Orissa has increased from Rs. 42,527.07 crore in 1999-00 to Rs. 63,774.71 crore in 2006-07 as per quick estimate. It shows an annual compound growth rate of 5.96 percent over the period. The Gross Fixed Capital Formation for the public sector by Industry of use and type of assets of Orissa at current prices has increased from Rs. 5476 crore in 1999-00 to Rs. 7586 crore during 2004-05 (6.73% compound growth rate). Agriculture and Allied sectors contributed about 26% to NSDP at 1999-00 prices.

The state has vast scope for development of fisheries sector and allied activities. The total fish production in the state was 3.42 lakh tonne in 2005-06 of which the marine fish accounted for 37.5%, brackish water fish 6.6% and fresh water fish 55.9%. Export of fish to other states and countries was 890.2 thousand MT during 2005-06. The production of milk during 2006-07 was 14.31 lakh tonne. The revenue receipts from forest produce were Rs. 60.2 crore in 2005-06 against Rs. 65 crore in 2004-05.

From all sources about 2120 MW of power was available against the estimated average demand of 1760 MW. The state's share in installed capacity in the state sector was 2814.88 MW in 2006-07 which includes hydro 1938.88 MW and thermal 880.00 MW. Out of the 46989 inhabited villages in the state, 38,044 villages have been electrified by 2005-06.

During 2005-06, 216.85 lakh MT of cargo was exported through paradeep port. Similarly 114.24 lakh MT of goods were imported in 2005-06 as against 84.38 lakh MT in 2004-05.

During 2006-07, about 1614.45 lakh tones of minerals valued at Rs. 7629.63 crore were produced showing an increase of 15.6% of production against previous year. Out of them 162 lakh tones of minerals / ores has been exported. During this period 4556 Micro, Small and Medium Enterprises went into production with total investment of Rs.271.14 crore and 20839 persons were provided employment opportunities.
